

1 DESCRIPTION

IGEPv2 enclosure is high impact ABS box, color RAL 9004 black or RAL7035 light grey.

This range in ABS resistant up to 85°C and with 'O' ring gasket, will comply to IP 65 protection in respect of dust and moisture.

The two halves of the boxes are fixed together using M3 screws into machined inserts. These screw fixings are hidden by plastic covers.

Wall mounting facility is provided in two ways, either by separately designed feet or by precut holes in the base.
